

**Dear Rev. David and the Community Church Family,**

**What a joy it was to be with you this past Sunday! We appreciated your warm welcome, hospitality and the opportunity to share about our ministry together with you in Thailand. We enjoyed both the time in worship and Sunday School with you. Thank you, Dale, and being so helpful with the last minute "techy" things! It was so good to be in prayer with you, Donna and Bob Carman and Bob Evers before the earlier morning worship service. Doris, thank you for your gracious hospitality in opening your home to us!**

**Thank you for your vision of world mission and your support which allow us to continue serving our Lord among the Thai people. Thank you for allowing us to share what we have been involved in and for joining us in trusting God for the mobilization of the Thai church in world missions. Please pray that the Thai church would become a "missionary sending church" and involved in outreach to "unreached" people groups. Please pray also, for this time ahead after we return to Thailand of exploration and discernment about ministry to "M" Thai people. Please remember Jub as she continues to minister to at risk teen girls and guys. Right now they are in the process of raising funds toward building a teen center in Jub's village since they will be taking on 5 more new girls into their training program.**

**Please refer to our website for continuing updates.**

**Thank you for your heart and commitment to what's on God's heart, people who need Jesus in Cannon Beach and to the ends of the earth.**
