

Todd & Cheryl Laws (Young Life Small Town Startup Ministry) write...

Some prayer requests/updates to share with everyone at CBCC:

1. Brand new communities where I am working with contacts: Meeker and Parachute, CO
2. Cheryl and I are with Young Life's "Small Town 12" today through Friday. We of this leadership team give assistance, tools of growth, teaching and encouragement for Small Town ministries throughout the entire mission. Pray for discernment, priority, God's nudging on what we are to give ourselves to up ahead so that more kids are reached with Christ's Gospel.
3. Our kids and their college efforts these critical weeks before finals.
4. Start up efforts for Platteau Valley (Molina, Mesa and Collbran, CO area)
5. Finding more contacts in Cortez, CO
6. We are thankful for very stable ministry support this year!!!
7. Seeking a way to get our 1992 Toyota Previa's Transfer Case repaired to keep this beloved vehicle on the road in ministry usage...praying towards the next gift vehicle to take over when this one is done.
8. VERY GRATEFUL for very stable support coming in each month, still a \$1000 a month shy of full budget and seeking more folks to come along with us in this ministry.
9. Pagosa Springs has ministry underway and seeking committee support for it.
10. Some of the current ministries: Ouray County, Crested Butte and Moab, UT

Keep praying for more and more kids being reached with Christ's Gospel and more adults answering their call to be ministers of this Gospel to teens!

We love and appreciate you guys being with us in this!!!
