Dear Friends

This has been a month of transition. January 13th, Christ for Miami staff and helpers loaded a U-Hall truck with the contents of our office (except the computers), and took everything to a suite located in a local church. It is a pleasant place surrounded by large trees and grass. Desks and books are in place, and some of the pictures are on the walls. The major concern right now is to have our computers and printers functioning efficiently, especially Elaine's.

Our commute time is about the same, going south instead of north. We find our way of carrying out routine activities has changed. An example: It was easy to drop by Costco on our way home and pick up a few items. Now, we have to plan when we will shop there.

Christ for Miami will be hosting the monthly meeting of the Executive Committee of Mission Miami in March. They continue to work on the purpose and goals for the transformation of Miami-Dade County.

We continue to offer bilingual pastoral care to people in Miami-Dade County. We also lead the Prayer Ministry Team at Doral Vineyard – they minister to people who request prayer after the Sunday Morning Service.

Prayer requests:

- Wisdom to help those seeking bilingual pastoral care and counseling.
- That Christ for Miami computers will be working efficiently soon, especially Elaine's computer.
- Continued protection and health.

– May you be blessed with many opportunities this year!

Victor & Elaine Rodriguez
