

April 2016

Dear Friends,

April 16 "Taking Prayer to the Pavement"

Pastors and intercessors from different denominations, ethnic groups and languages will gather to pray for Miami-Dade County. Groups of people will go to different areas of the County to pray for specific places. They will be led by a pastor that ministers in that area. Everyone will return to the church to tell their experiences. **Pray** for guidance, wisdom, protection. We are expecting more than 100 people.

A Testimony

Pastors Richard and Cheryl Sejour have been praying and mapping North Miami for 19 years. They have met weekly on site at different locations and often with other intercessors. They have seen the following removed: 3 voodoo stores, 2 adult video stores, 1 adult pornography store, 2 psychic stores, and other places. In one particular area, four of these were removed and now there are 5 churches in that very place.

National Day of Prayer May 5th

There will be prayer throughout the day at various sites, including several City Halls, the North Miami Police Department and services at night in English, English/Spanish, and Portuguese. **Pray** for many to participate in prayer through these opportunities.

Computer Woes

We have experienced computer problems since November. Some friends graciously gave us a new computer with Windows 10. It still isn't working well. Meanwhile, we are using a laptop with XP and the iPhone to access and send emails. **Please pray** we will get everything adjusted SOON so we can operate efficiently again.

United World Missions Donations

We are deeply grateful to everyone who so faithfully contributes to our support account in the UWM. However, donations have been declining since January. **Please pray** for an increase in donations for our work here in South Florida.

Thank you for your prayers. Victor & Elaine Rodriguez
