

August 2013
Dear Friends,

How quickly the summer has come and nearly gone!

The 18th Miami Pastors' Prayer Summit will be September 16-18 in Lake Placid, Florida. This is a time for pastors to come away from their busy schedules to seek God's face and fellowship with other pastors – across ethnic and denominational lines. This event is a highlight for many pastors in Miami-Dade County. Victor will be attending along with others from Christ for Miami (a ministry of Latin America Mission), and Mission Miami. Elaine will be in charge of registration, then return to Miami the same day. Several pastors who usually attend will be ministering elsewhere. One of them usually does part of the translating in the meetings.

So, please pray that many pastors will set aside these days to gather and pray. Pray for several pastors who are good translators to attend – this is a bilingual gathering. Pray also for favorable weather. This is hurricane season. We are deeply grateful there have been no destructive hurricanes hit South Florida for several years.

There are several new neighbors that we have met in the parking lot, doing laundry, etc. Elaine showed one family how to change the filter in their air conditioner. Another lady was carrying a flower pot with a dead plant. Elaine later gave her one of her ferns. So it goes....a touch here and there!

Prayer requests:

Pray for pastors to make the annual Miami Pastors' Prayer Summit a priority and set aside September 16-18 to gather together and pray.

Wisdom to help those seeking bilingual pastoral care and counseling.

Continued protection and health.

New ways to interact with our neighbors. We have several new neighbors

We love you,

Victor & Elaine Rodriguez
