

Hurricanes!

Our thoughts and prayers turned toward friends and cities in the path of recent hurricanes. Many people left Florida for safer, drier places. Some friends hunkered down in their homes—others in shelters. Chinese friends sang hymns in Chinese (“Thanks to God”) and had Bible studies in a shelter.

An Extended Visit

Our friend, Annette from Barranquilla came for a short visit. Due to Hurricane Irma complicating flights out of Miami, she stayed another week. What a delight and a time of refreshing for all of us!

May you be blessed as you respond to those unexpected opportunities!

Prayer Requests

- Continued health and protection.
- For divine encounters with people, and openings to minister in this new context.
- Increased donations through United World Mission and LAM Canada.
