

## Dear Partners in His work,

Below are the books and chapters we worked on during the month of March. As I look over the chart I'm impressed with the progress of the translation teams – much more than I expected. Most of the work done was cleaning up manuscripts that were in pretty rough draft form. Isaiah 1-30 and all of 1 Kings 13-22 are first drafts. We had nothing in those books in February.

Thanking the Lord once again for giving us all good health and beautiful fellowship. We all enjoy working together and learning from one another.

I also thank our Lord for the partners we have in you. Thanks again for your support and prayers.

Yours in His service and for His Word,

Kermit along with Raquel Titrud
