

Raquel and I arrived at the OMF guest house in Calapan safe and sound.

We brought with us from Manila a young lady (18 years old) from Germany. She just finished high school and is interested in becoming a Bible translator. Natalie plans to be here for 11 months learning what translation work is all about and ministering to the Mangyans. Pray for her and us along with the OMF staff as we guide her in her experiences and ministries. Thanking the Lord for listening to my prayer that He send our way more Bible translators.

Raquel and I plan to be here on the island of Mindoro for around two months. Praising the Lord for the beautiful view we have since the OMF guest house sits on the side of a hill near the ocean overlooking a number of smaller islands, and behind them, the big island of Luzon an hour away by boat.

Praying you are doing well.

Serving our creator,
Kermit and Raquel
