I am stoked to be taking Brandon Galicia (in the lt. grey hoodie next to me) with me whom I've had the privilege to introduce to Jesus and help him grow (as he has helped me!!) in his faith for over 14 years now. One of many very special YL kids in my life, Brandon's family is from El Salvador and Brandon will help me translate into Spanish and interpret what our Nicaraguan friends are saying.

The rest of the crew is from Lake City, CO one of our newest Small Town YL Startups. I am honored to have you pray for us and to travel with these guys.

very first Young Life camp last weekend. Hunter and Taylor Lear lead this enthusiastic group. The town can't stop talking about how their kids have been impacted and are eager to see middle schoolers go Dec. 2-4th.

A full newsletter will be coming after the Nicaraguan Mission Trip.

Thanks for traveling with me in prayers, friendship and support in Young Life Small Town Ministry Adventure!

Yay God for all He is doing and Yay God for each of you!

Todd
