Things I'm thankful for

- I'm thankful for the speaking engagements to with opportunites to tell about the exciting things God is doing at Bongolo, and all the old and new friends I've seen along the way. This week I gave Grand Rounds at Penn State College of Medicine.
- I'm thankful for time spent with my family in New York State for Thanksgiving and with my sister's family in Oklahoma.
- I'm thankful for the opportunity to experience Christmas in the US for the first time since 2005. (We already had over 11 inches of snow near Rochester, NY before Thanksgiving.)

Prayer Requests

- Gall bladder surgery on December 15th.
- Pray that the pain in my right shoulder responds to medical treatment.
- The current wiring at the hospital can't support the load of electricity, especially while using the generator. We will need to replace the wiring before turning on electricity to the new Eye Care building. This will cost around \$300,000.
- Pray for Bongolo while I'm away, and my return to Bongolo on January 2nd.

Thank you for praying.

Blessings,
Renée+

Thank you for contributing to the CMA's **Great Commission Fund**. Your gifts to the **GCF** make it possible for the Alliance to send me to Bongolo and to show God's love around the world. Here are some ways you could designate a gift: **Support of Renée Valach**- goes to the Great Commission Fund toward allowance, etc. **Work of Renée Valach**- for special work projects related to my ministry **BHAIDS Treatment**- toward HIV treatment, particularly the pediatric patients. You can also give a gift through the CMA for the wiring need.
