

Renee's Rainforest Reflections

This Rainforest Reflection is coming after surgery in Rochester.

Praises

-Shoulder surgery was April 6th and was uncomplicated. Physical therapy is progressing well, and I can already move my shoulder in directions it didn't move before. I will follow up with the surgeon next Tuesday, May 2nd and get more information about my return to Bongolo date. I'm hoping to be cleared to return as soon as possible.

-I'm thankful to have worshipped with about 220 women at the Northeastern District GCW Spring Refresh.

Prayer Requests

ÿ-Pray for Bongolo Hospital during my absence. They continue to be very busy, and are particularly understaffed.

ÿ-The hospital has received a partial payment from the national health insurance company allowing us to make a partial medication order. Lack of funds has caused us to delay placing the main medication order, so that we are now out of stock of some medicines. Pray that we have the medicines and funds we need.

ÿ-Continue to pray for another long-term primary care doctor for Bongolo.

Thank you for contributing to the CMA's **Great Commission Fund**. Your gifts to the **GCF** make it possible for the Alliance to send me to Bongolo and to show God's love around the world. Here are some ways you could designate a gift: **Support of Renée Valach**- goes to the Great Commission Fund toward allowance, etc. **Work of Renée Valach**- for special work projects related to my ministry **BHAIDS Treatment**. toward HIV treatment, particularly the pediatric patients. You can also give a gift through the CMA for the **Bongolo Electrical System Upgrade**.
