

Part of a movement of God

September 19th-23

I am really excited about what is happening this week! We have nearly 350 young leaders and pastors from 15 countries converging on our conference center in the Czech Republic for a week of training and inspiration. Our theme is "IGNITE and INSPIRE" and we are looking at the book of Acts and other historical movements of God to learn how we can join the Lord in similar country-changing movements in our time.

to listen to them. They will get an invitation to respond to Jesus there and we will follow-up and get them plugged into youth group and church. [CLICK HERE](#) You can [Faith Child](#) Then we will have a follow-up concert done by

Nick Vujcic (no arms, no legs) is back in Slovenia. Josiah Venture SLOVENIA is organizing all of this. It is a BIG TASK! Pray for us! This is beyond us! Most schools in Slovenia will play it LIVE. It will be broadcasted on National TV as well! Also, the President of Slovenia is coming to this event.

Prayers are much appreciated!

I think the favor of the Lord is upon us. The above picture is the kids standing with the President of Slovenia!!!

Shawn was able to talk with Borut Pahor. He asked what we do here. So Shawn shot straight and told him that we work with the Evangelical church and work with youth.

Alsoooooo, last week (click the video below) Shawn shared the gospel on public National Television!!! What is going on? God is on the move in this country!!!

Skip to 6:30sec and you can hear Shawn (in English) what was broadcasted on Public National Television!

***Give THANKS to the Lord
for He is good.***

His Love endures forever.

He is good. He is above all things.

His love endures forever.

It is OUR ANNIVERSARY!

13 YEARS.

Shawn is so romantic... though he is at Conference this week, he is driving 8 hours home and going to give me a kiss. And then drive back to Czech!

But that isn't the only reason he is coming home ... we are signing papers and closing on the house we have been praying for. More information about that in the next section :)

We plan on celebrating our anniversary when things calm down a bit. October we will be driving 12 hours down to Thessaloniki, Greece and spending three days together.

We are so blessed.

Our offer was accepted! Praise the Lord.

Our bank loan expires October 30th. So there is still a question as if it will all go through in time, but God knows and we are asking Him for His help. His hand is in this and we welcome His plan fully.

Our lawyer, whom we have told on many occasions that we are planning on STAYING in Kocevje, asked us today as we were finishing with the contracts, "So you REALLY are planning on staying?"

We anticipate that this will be a big trust booster in this community!!!

Please stand with us in prayer.

Hebrews 10:35, 36

So do not throw away this confident trust in the Lord. Remember the great reward it brings you! Patient endurance is what you need now, so that you will continue to do God's will. Then you will receive all that he has promised

We are so thankful for all your love, support, prayers, and responses. Thank you, though we say that often, we are so very thankful!

It is overwhelming how blessed we are through our extended family and friends.

We hope you are doing well. We pray for you when you come to our minds.

**Blessings and Love,
Shawn, Christena and kids**
